Dear Mal,
 You know, I've been so fortunate in away. God's placed
 me in midst of Good and True friends. And they're
 friends of all types, Personalities and Principles. Friends are
 very complex and sacred to me. I try to be just as true a friend as
 my friends are to me. — So ^{Administration} you know why I am as
 always ready to stick up ^{Students} for you. Because I do
 certain you'd do the same.

Foreword

The final closing of the curtain on a warm, summer evening in June completely separates the Senior Class from a way of life it has pursued for four years.

Left to memory alone, the high school experience may swiftly lose both focus and perspective. When memory is aided, however, these four years long continue to stand in bold relief for the lifetime ahead.

Yearbooks are created to aid, not only by recording deeds and faces, but also by reflecting the spirit of the class they represent.

Thus it is hoped that in the following pages, not merely the faces, but the spirit of the Class of 1964 will be discovered.

PROLOGUE

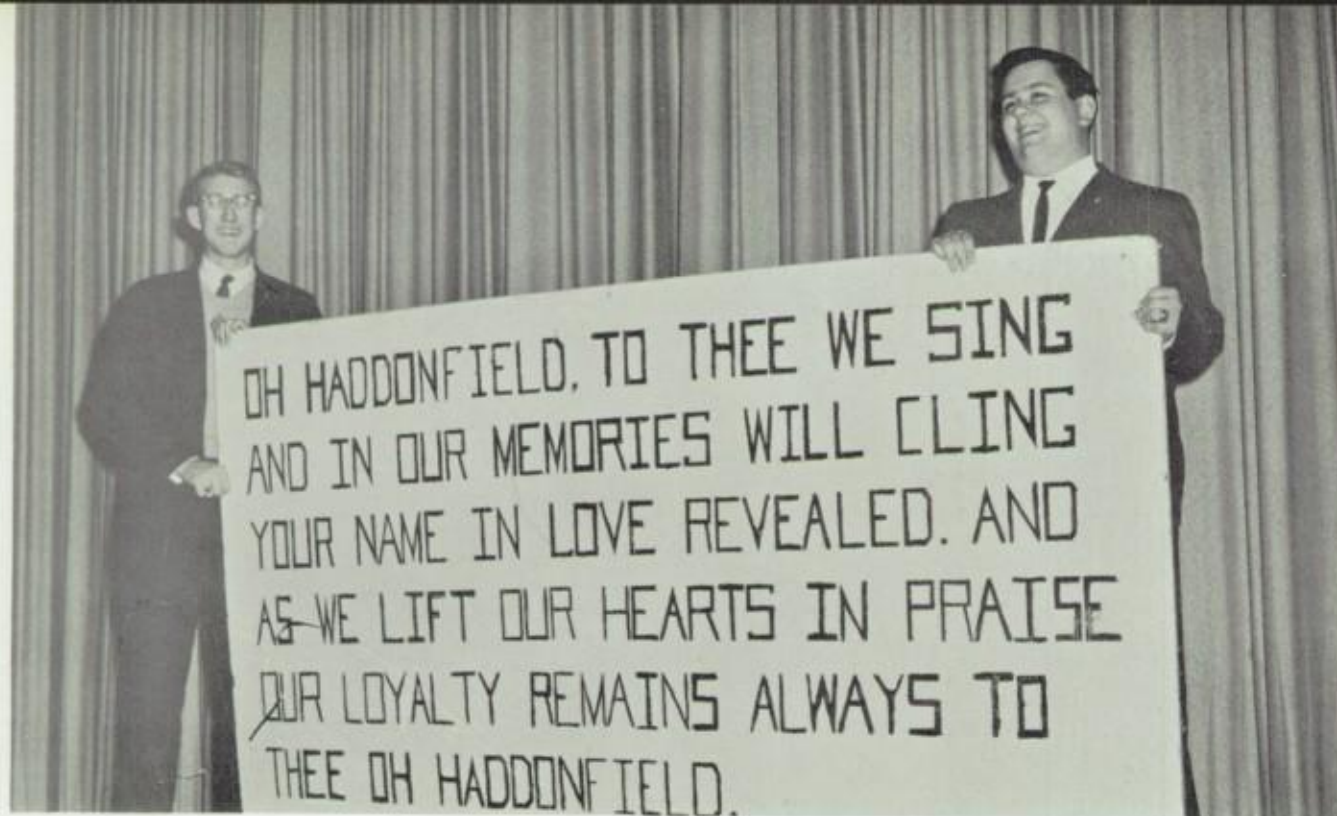

The high school experience can be told with a shout,

or the gentlest whisper,

or the silence born of thought.

OH HADDONFIELD, TO THEE WE SING
AND IN OUR MEMORIES WILL CLING
YOUR NAME IN LOVE REVEALED. AND
AS WE LIFT OUR HEARTS IN PRAISE
OUR LOYALTY REMAINS ALWAYS TO
THEE OH HADDONFIELD.

It is the memory of words,

incidents,

long nights in a room,

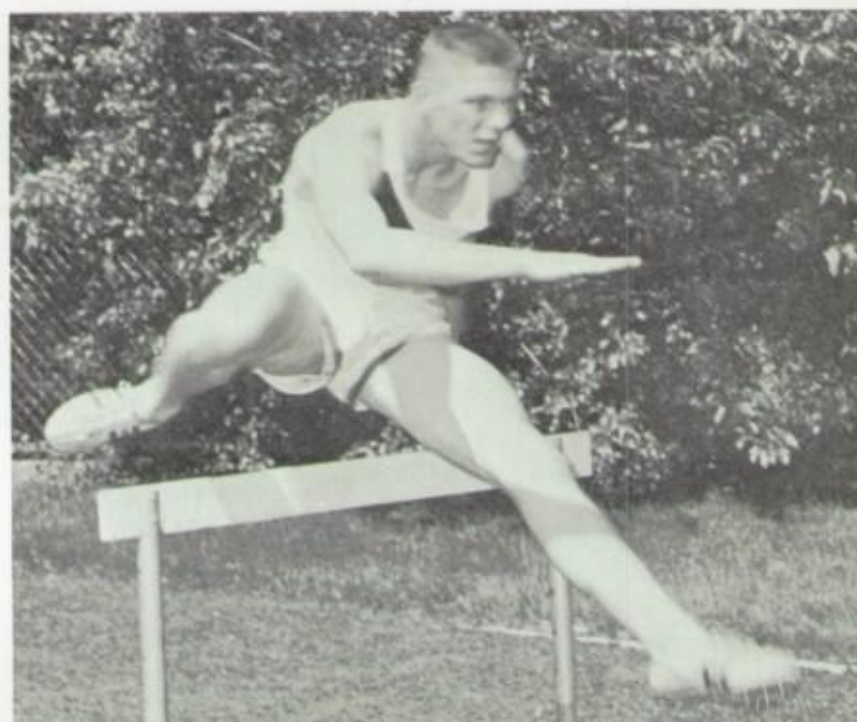

or the chaos of 8:05.

Friendships are formed,

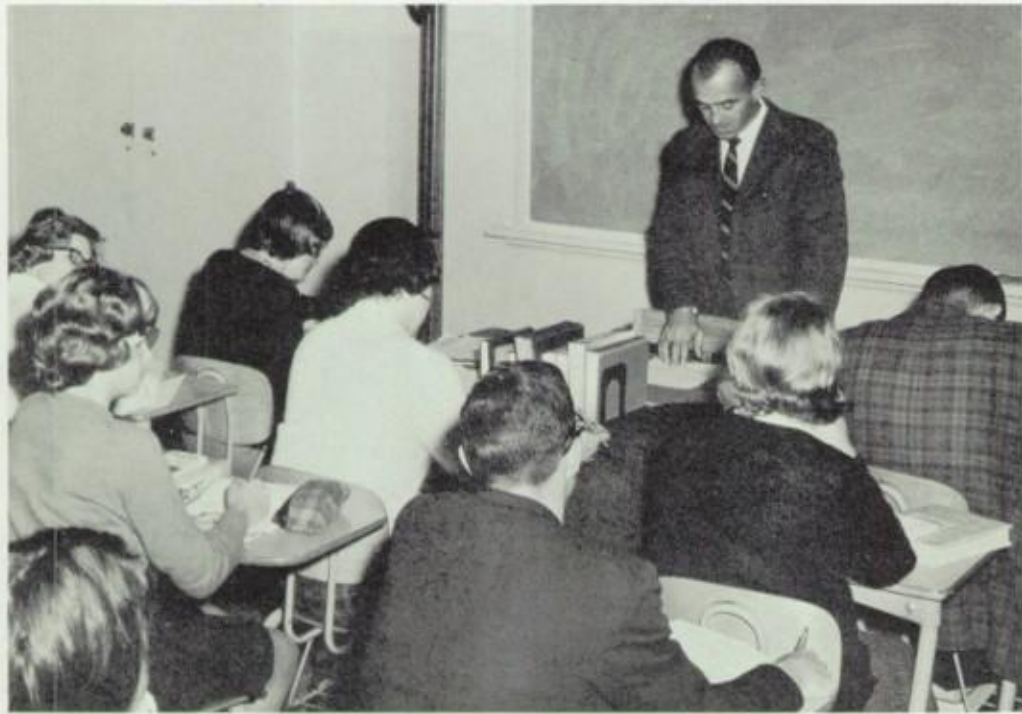

discoveries made,

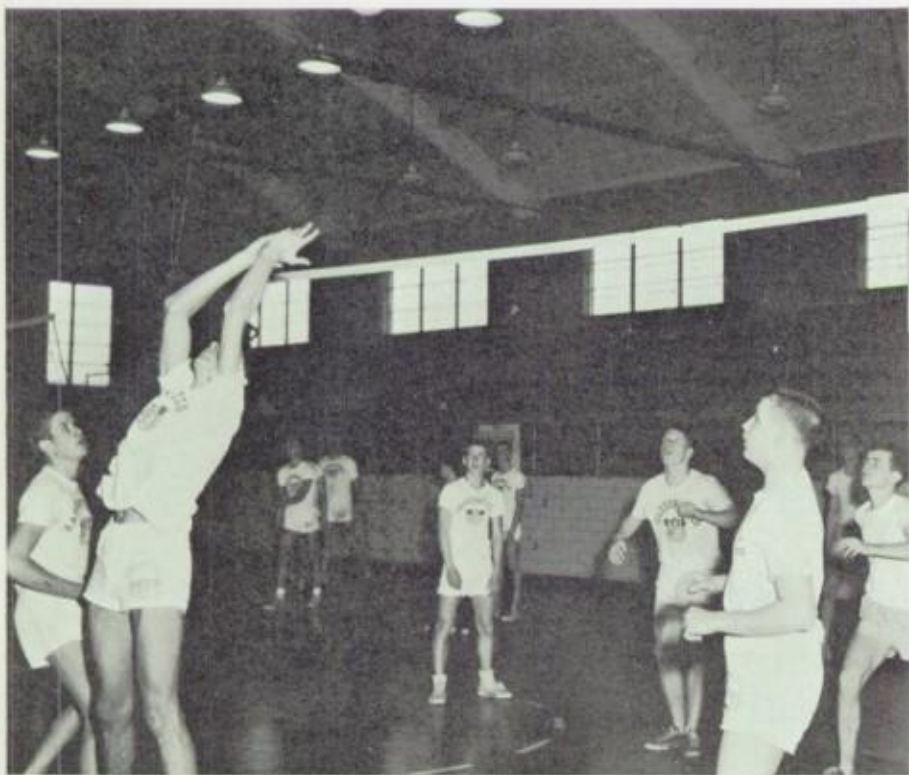

and a lot of energy released.

Each as an individual,

yet part of the whole,

his co-operation,

puts forth his talent,

and strives to achieve.

And in the midst of all the laughter,

moments of worry,

and times of relief,

each has laid the foundation for his life.

Dedication

MR. ALAN L. GANT

To Mr. Alan L. Gant we dedicate this book for the interest, encouragement and inspiration he has given us during our four years at Haddonfield Memorial High School. His smile and ready hand have helped us throughout these years and have guided our class to its culminate moment. For these reasons we wish to express our gratitude.

Courses

While preparing students for college or vocations, the curricula strives to develop responsible individuals who will be able to assume active roles in society. Our complex world calls for people who can apply practical skills yet appreciate a political debate, the crystalline composition of a stone, or the greatness of Shakespeare.

Above all else, every man should know how to use his own language effectively. The courses in the English Department are designed to develop good language habits, both directly through composition and indirectly through familiarity with great works of literature. Basic grammar, vocabulary, and composition studied in the freshman and sophomore years form a firm foundation. From there juniors go on to explore American literature while the seniors delve into the "greats" of English literature. The value of this rigorous routine is recognized by every senior during the busy, research-filled days of term paper writing.

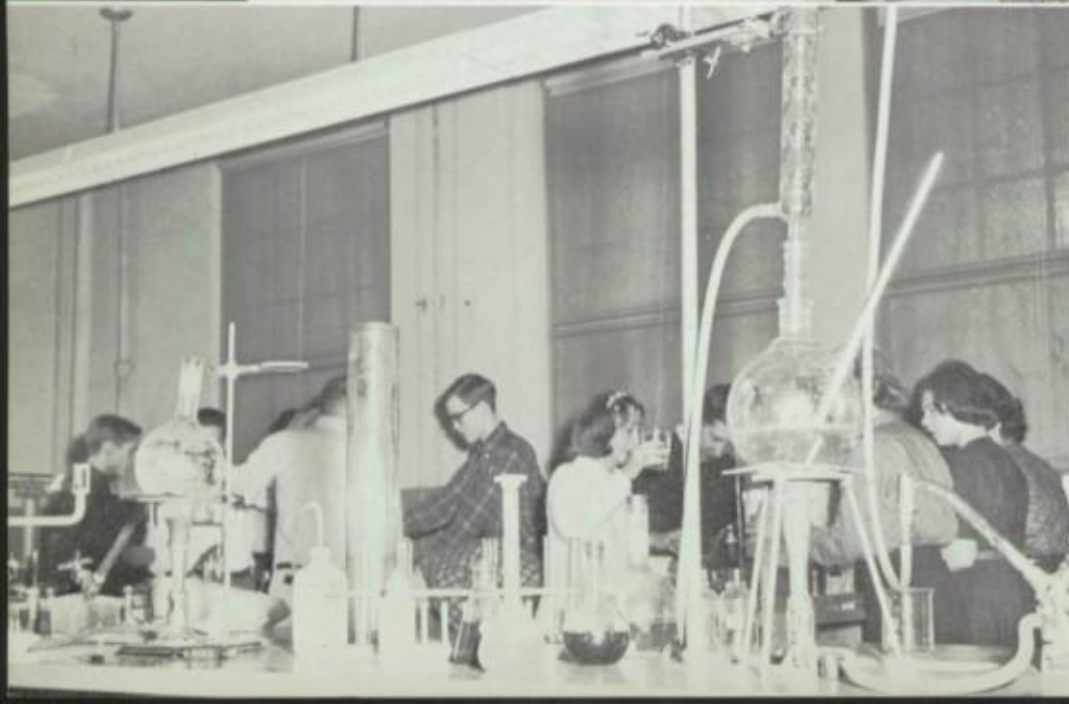

Because a student's ability to read will determine to a considerable extent the success he will achieve both in his school work and later in his occupational activity, a Developmental Reading program has been added to the curricula. Under direct instruction, even the excellent readers can go from one achievement level to another.

As various parts of the globe are brought nearer and nearer together, the conviction grows that an educated man should have at least a "speaking acquaintance" with one language beside his own. To be able to speak and read another language is not only a useful social achievement, but also a requirement for entrance into the majority of American colleges. The Language Department enables students to study the culture, literature, syntax, and pronunciation of the tongues spoken by our neighbors to the south and across the sea. Comprehension and pronunciation of Spanish, German, and French may be perfected by use of the language laboratory.

Students also have the opportunity to elect the study of Latin. Although some consider Latin to be a dead language, it lives on in some of the greatest masterpieces of world literature and in our own language as the basis of many higher words.

To understand the problems and challenges of today, one needs to understand the events and ideas which shaped them. This premise underscores the approach to the courses offered by the Social Studies Department. While successful completion of American History I and II is required for graduation, those who wish to penetrate more deeply into our heritage may study a course in Ancient and Medieval History or Modern European History. Civics, Economics and Geography enrich the student's knowledge of twentieth century conditions. Advanced placement history courses are available to selected students seeking to explore special aspects of history by doing extra research.

The Science Department strives to keep pace with the rapid progress of scientific research and technology. The study of molarity, biological compositions, ergs, atomic structure and densities launch H.M.H.S. students into the realm of scientific knowledge. A four-year sequence of non-laboratory courses, General Science, Biology, Chemistry, and Physics, equip a student with a general understanding of the mysteries of our technological environment. The more exercising discipline of laboratory experimentation is necessary for the

of Study

college-bound students. In the lab he is brought into direct contact with the materials of his subject, whether these are chemical substances, physical phenomena, or biological organisms. Senior Science, an exploration into biochemistry and organic chemistry, is the culmination of an advanced program which is offered to students with an avid interest in the world of science.

The path beyond the wall of mathematical problems leads through a maze of computations. Perplexing though it may sometimes seem, mathematics is basic to all scientific thinking and is an indispensable tool for daily life. The college-bound may study their way step by step through Algebra I, Geometry, Algebra II, and finally Senior Mathematics. Well-qualified students may work up to introductory Calculus via an accelerated four-year course. Those seeking to become proficient in commercial calculation can develop mathematical acumen through General Math I and II and Consumer Mathematics.

The rapid evolution of our industrial society makes mandatory a close touch between schools and the latest development of the business world. Through the Business Education courses the student gains useful skills and learns how to apply them. Classes in typing, stenography, book-keeping, consumer economics, and office practice orient each commercial student to the bustling world of business and banking. College preparatory students also draw from the resources of the Commercial Department. Personal Typing and Hy-Speed Longhand can be useful companions on the college campus.

Food preparation and clothing production are provided by the Home Economics Department as practical household experiences for the homemakers of tomorrow. A course in Family Living gives a forum for directed study and discussion of dating problems, finance, housing, and child care. Positive values in personal relationships and techniques in homemaking supply girls with a basic knowledge which they may develop into a life vocation.

Dreams become realities as Manual Art students skillfully draft their ambitious projects. The shop is the classroom and laboratory for students interested in one or more phases of industrial art. Courses are available to our future mechanics and draftsmen who learn to ply their tools for the fashioning of products conceived by their imaginations.

Through the study of art and music, the individual learns the appreciation and expression of the universal language of beauty. Those interested in the structure and history of music are able to enlarge their sphere of knowledge by enrolling in Music Theory I and II and Music History. Others find outlets for their talents through participation in the Band, Orchestra, Chorus, or Choir. Drawing, painting, sculpturing and design form the framework of fundamental art forms in which aspiring artists can develop their talents. Armed with pens, brushes, paints, chalks, and other basic equipment, the student can proceed at his own speed as he learns to give creative expression to latent ideas.

In order for a person to be truly well-integrated, his body as well as his mind must be developed. The Physical Education Department provides the opportunity for boys and girls to release their energy while building up their bodies through general programs of physical fitness.

STUDENTS

Childrey Award

John Irving Chew

The Joseph M. T. Childrey Award is the highest honor which a member of the graduating class can receive. The award is based on scholarship, participation in school activities, co-operation with the faculty and the respect of classmates.

John Chew is especially worthy of this high honor as he is a valedictorian of his class and the winner of a National Merit Letter of Commendation. He was elected a member of the National Honor Society in his junior year and then served this organization as its president.

John was a member of Student Council for two years and was vice-president during his junior year. In his senior year he was elected vice-president of his class.

His many interests include sports, especially football and wrestling, and he was a member of the Varsity Wrestling Team his junior and senior years.

As John served as Business Manager of his yearbook, it is especially appropriate that he should hold an honored position within its pages.

The staff of the SHIELD and John's many friends congratulate him upon receiving this distinguished honor in recognition of an exceptionally fine record.

Susan Jean Kimball

D.A.R. and S.A.R. Awards

D.A.R. PILGRIM

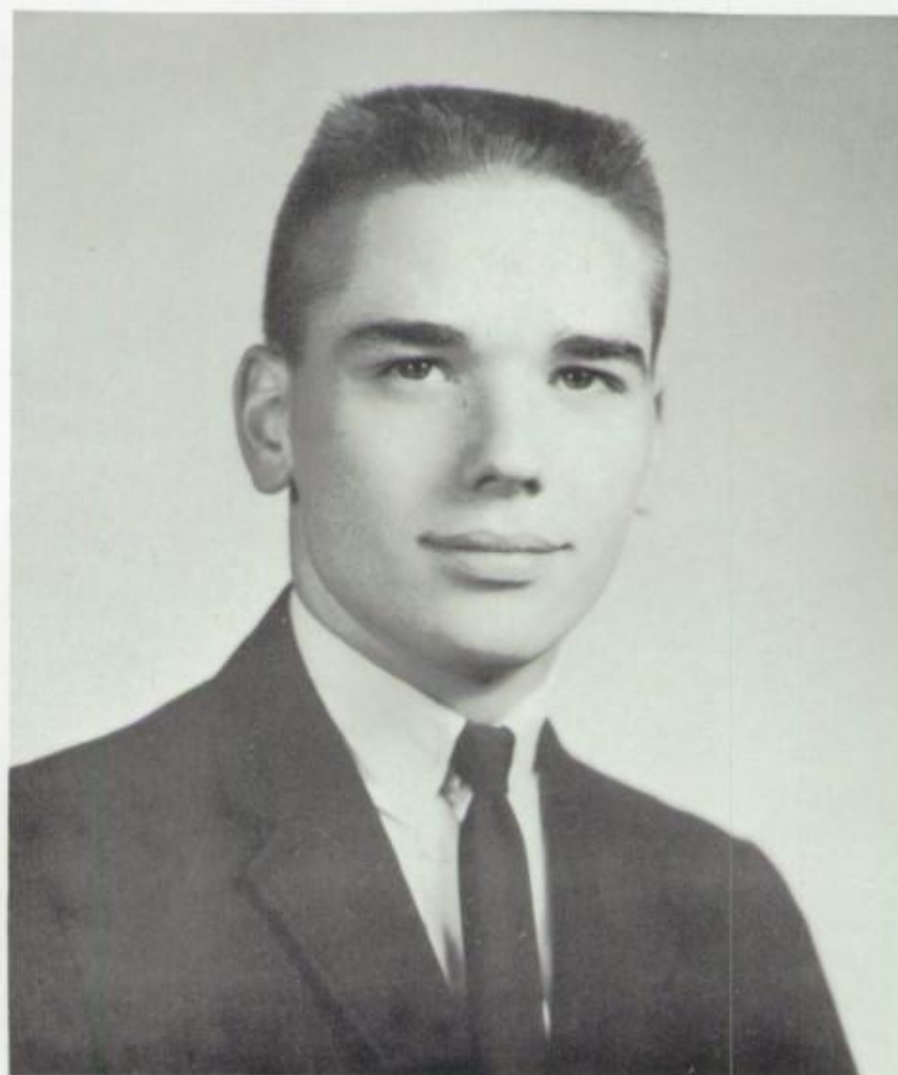

Susan Kimball was selected by a combined vote of the faculty and students to receive the Daughters of the American Revolution Award. Each year an outstanding senior girl is chosen. The qualities essential in the recipient are dependability, leadership, service and patriotism.

Sue has shown evidence of these qualities throughout her years at H.M.H.S. While maintaining a superior academic record, Sue still finds time to participate in Great Books Seminar, to act as an Associate Editor of the 1964 SHIELD, and to undertake the duties of Secretary of the Service Club. She was elected to National Honor Society in her junior year. In the same year, she was named as an alternate to Citizenship Institute and served as a member of the play cast. In all ways Sue has shown herself to be truly deserving of this award.

S.A.R. AWARD

Warren Richard Isom is the recipient of the National Society of the Sons of the American Revolution award.

Throughout his high school years Warren has exhibited the four qualities upon which the award is based: co-operation, dependability, leadership, and patriotism. A class leader academically, he was elected to the National Honor Society in his junior year, won second place in the Colonial Philadelphia Youth Award Contest, and was a finalist in both the National Merit and the National Honor Society Scholarship competitions. As Editor-in-Chief of the SHIELD and as President of the German Club for two years, he has shown himself to be a dependable and tireless worker. Through his service to the school as a Fire Warden and a Student Council Representative, his participation in a team sport as a two year varsity football player, and by his co-operation in class activities as a magazine captain, prom chairman, and actor in the junior play, Warren has proven worthy of the S.A.R. Award.

Girls' State, Boys' State and Citizenship Institute

NEW JERSEY GIRLS' STATE—First Row: Merle Markwith, Rosemary Fritz. Second Row: Joanne Cain, Barbara Anderson.

Throughout the month of June, 1963, H.M.H.S. students who were selected on the basis of scholarship, leadership, service and character heard many inspiring, yet practical speeches. These lectures and the ensuing discussions acquainted the delegates to Girls' State, Boys' State and Citizenship Institute with the ideals of good citizenship—its privileges, obligations and responsibilities—and the principles of our form of government.

Douglass College, New Brunswick, was the site of New Jersey Girls' State sponsored by the Women's Auxiliary of the American Legion. Addresses on capital punishment, civil defense, and the importance of our two party system highlighted the program. Some of the most exciting activities were the election and inauguration of a Girls' State Governor, pep rallies, speech writing and campaigning.

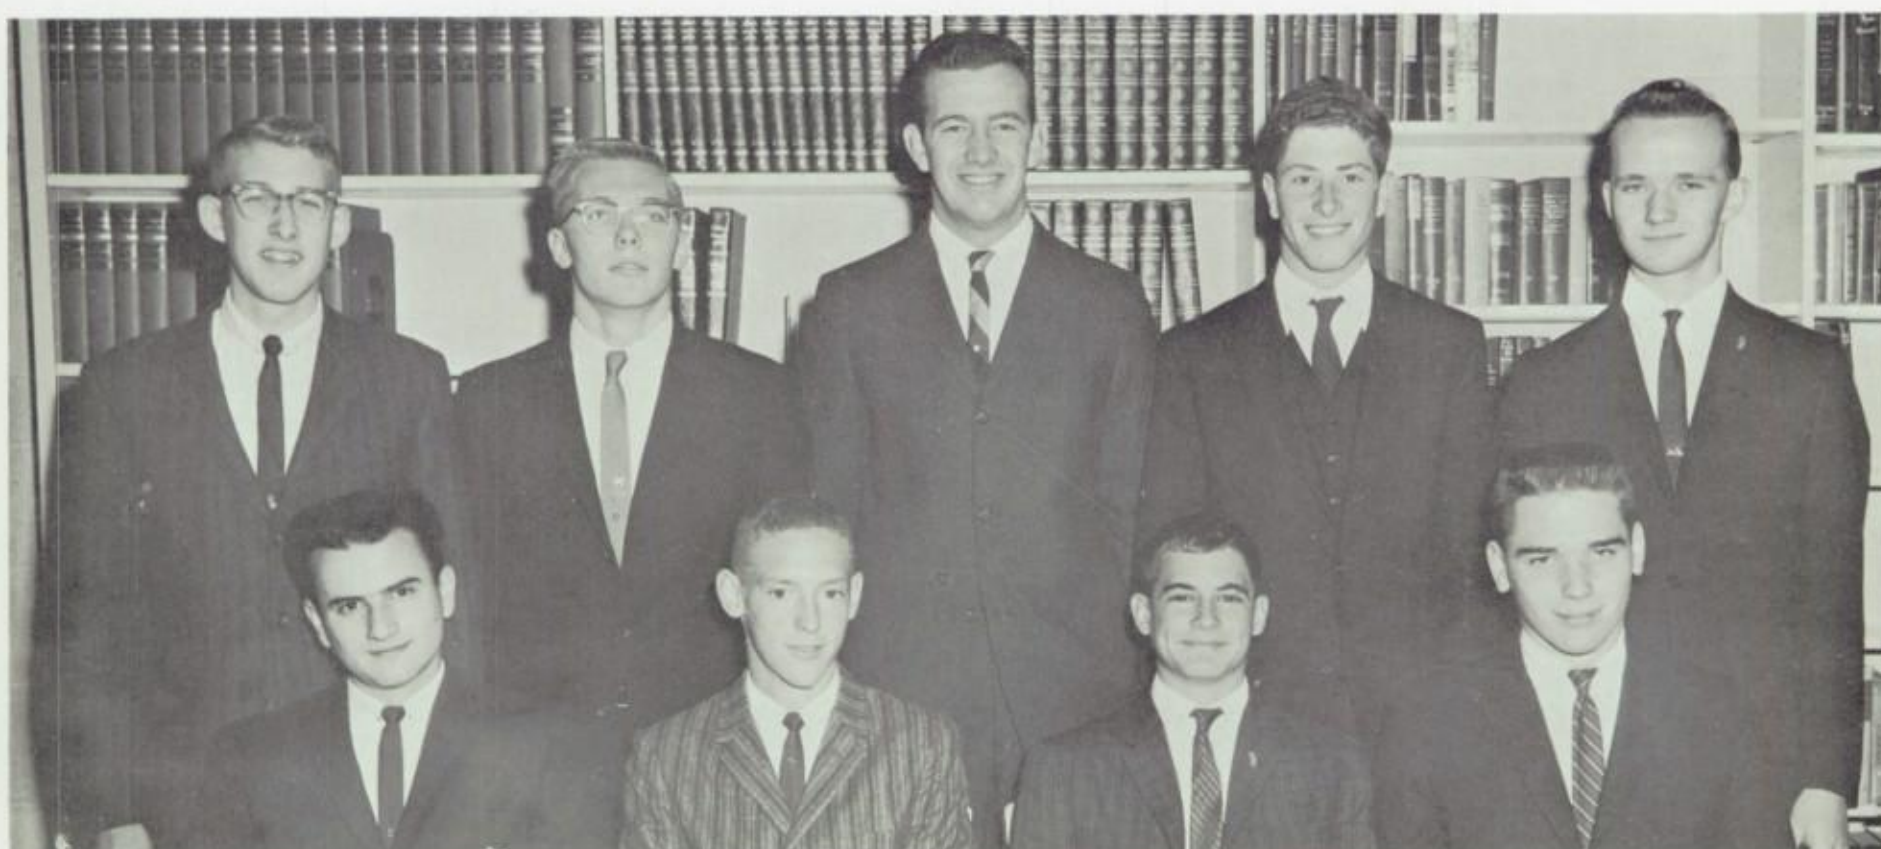

CITIZENSHIP INSTITUTE—First Row: Laurie Reiter, Agatha Alleva. Second Row: Pam Moore, Janet Rose.

New Jersey Boys' State was held at Rutgers University under the sponsorship of the American Legion. The delegates learned about local, county and state government by actually taking part in mock elections. Highlights of the week included an address on the worth and meaning of the word, "America," and the inauguration of the Boys' State Governor.

Girls' Citizenship Institute, sponsored by the New Jersey State Federation of Women's Clubs, was held at Douglass College. Lectures concerning the girls' futures, the New Jersey Tercentenary, college life, community service and the Peace Corps were part of the program which was climaxed by a trip to the State House in Trenton and a meeting with Governor Richard J. Hughes.

The delegates to these three conferences returned home with a new awareness and understanding of citizenship and the government of the United States.

NEW JERSEY BOYS' STATE—First Row: Wayne Shugart, Don Hart, Pete Bewley, Warren Isom. Second Row: Jeff Cawley, John Chew, Jack Smith, Barry Walter, Bob Mills.

MERIT SCHOLARSHIP FINALISTS—First Row: Paul Rosenberg, Pam Moore, Pete Bewley. Second Row: Clinton Smullen, Peter Schwartz, Warren Isom, Rodman Cook, Blair Gibb, transferred to Munich, Germany.

1961 FRESHMAN AWARD WINNER—Joanne Cain.

NATIONAL MERIT

An exhausting morning spent in taking the National Merit Qualifying Test paid off for thirty-four Haddonfield seniors. Eight students distinguished themselves by placing as finalists, and twenty-six received Merit Letters of Commendation. With such a large number of students placing, Haddonfield ranked high in the state.

The National Merit Scholarship Qualifying Test is taken in the spring of a student's junior year. It serves as a medium from which qualified students can be picked as possible scholarship recipients. The test is divided into five parts: English usage, mathematics usage, social studies reading, natural science reading, and word usage.

Approximately 13,000 students in the United States are named finalists. In each state this number is about one-half of one per cent of all graduating seniors. This group is brought to the attention of many scholarship granting organizations. An additional 30,000 students receive Letters of Commendation. Although this group is not eligible for scholarship awards, the Letter indicates their superior achievement and encourages them to continue their education on a college level.

From the members of the Class of 1964, Joanne Cain was selected to receive the highest award given to a freshman, the National Honor Society Freshman Award. This annual award is presented to the outstanding freshman who has best displayed the qualities of scholarship, leadership, service and character.

NATIONAL HONOR SOCIETY

Dimmed lights, a row of candles, respectful anticipation — thus begins another solemn induction ceremony into the Haddonfield Chapter of the National Honor Society. This honor, one of the highest that may be awarded a student, may be conferred on only ten per cent of the Senior Class and five per cent of the Junior Class.

The Honor Society in Haddonfield, under the guidance of Miss Doris Gray, is more than an honorary organization. This year the members gave up their study halls in order to tutor their classmates. They planned the induction ceremony and arranged the Annual College Tea, an informal gathering which gave high school students the opportunity to meet with recent graduates of H.M.H.S. and to learn their reactions to college life.

Exchange Students

Jane and her Norwegian family rest on a mountain.

A surprise birthday party for Trinkia—Argentina style.

"Norway is no longer the fairy land world I thought it to be before I came. The customs and people don't seem foreign any more — life goes on just the same as at home." With these words Jane Fox, one of Haddonfield's exchange students, has presented proof that the aims of the American Field Service are being achieved throughout the world. By placing students from various countries in American homes and vice versa, this organization strives to promote good will and understanding and to introduce students to foreign cultures and customs.

This year our school was fortunate to have three foreign students here: Annette Collet from France, Christa Schwabe from Germany, and Justo Chang from Guatemala. Two members of the Class of 1964 have had the wonderful opportunity to live and attend school in foreign countries. For Trinkia Reddie, from February to August, 1963, Cordova, Argentina, was home. Jane Fox

spent her senior year living with the family of a university professor in Oslo, Norway.

Annette, Christa and Justo all became a part of daily life here. Slowly but surely the barriers broke down until they were no longer curiosities or strangers, but friends. We realized that they, too, had personal preferences, favorite classes and career goals. Annette, interested in Spanish, intends to study at a university in France when she finishes high school. Both Christa and Justo hope to have a career in architecture. Christa has already worked as a draftsman in an architect's office in Germany, while Justo expects to prepare himself by studying at the University in Guatemala.

Most likely we will never see these students again, but we can honestly say that it has been our pleasure having had them here.

FOREIGN EXCHANGE STUDENTS—Left to Right: Justo Chang, Christa Schwabe, Annette Collet.

Now I realize the only way to know a country is to know the people who make it work . . . When American teenagers act as individuals, they can do things on a far more mature level than most people would expect . . . Sincerely,

Justo

First of all I like to thank you for your friendship . . . My first thought was "I'm never going to make it." . . . Well, you see I did . . . It was a nice year with many experiences . . . Good-bye and Auf Wiedersehen,

Christa

I remember my first football game. I was lost trying to follow the ball through the dust and my neighbors' shakers . . . Now that all of that is over, I will never forget . . . for this year has been one of my most wonderful.

GREAT BOOKS SEMINAR

The classics of world literature, students with an innate sense of curiosity, and two adult leaders with the ability to spark discussions are the essential ingredients for a stimulating Great Books Seminar.

The four seminar groups composed of H.M.H.S. students provide the opportunity for serious thought and purposeful discussion. These groups meet twice a month under the leadership of capable townspeople, who have been instructed in this field.

JOE BERG SCIENCE AND MATHEMATICS SEMINAR

Take a group of scientifically inclined students, sprinkle with biochemical science, radar scanning, or electron diffraction, and mix with a prominent scientist. Thus reads the recipe for a fascinating evening sponsored by the Joe Berg Science and Mathematics Seminar.

Each Wednesday evening the Haddonfield branch of this nation-wide organization meets to explore the scientific worlds. Membership is limited to those who have received satisfactory scores in a national test.

Dr. Reisner illustrates his point concerning the electronmicroscope.

Student Council

Bridging the traditional gap between the faculty and the student body, the Student Council works for the improvement of school life. Due to the efforts of the Council we have interesting assemblies, a new Pep Club, and an effective monitor system. The members undertook the job of collecting funds for the United Fund Drive. Throughout the year they kept the students up to date on the current happenings by publishing "Stu Speaks" and arranging the bulletin boards.

The Student Council, which is guided by Mr. Robert Lewis, is comprised of four officers and an elected representative from each underclass homeroom and two from each senior homeroom.

SOPHOMORE CLASS OFFICERS

SOPHOMORE CLASS OFFICERS—Left to Right: Laurie Gerber, President; Janet Haynes, Treasurer; Bob Greenberg, Vice-President; Janice Mayo, Secretary.

Under the direction of Mr. Rudolf Kolleck, the Class of 1966, as sophomores, reached the halfway point in their high school careers. Beginning with the purchase of their class rings, the sophomores launched a busy program by participating in many school activities. As the year, which was climaxed by the annual Sophomore Party, drew to an end, the class members looked forward to their next two years as upper classmen.

JUNIOR CLASS OFFICERS

JUNIOR CLASS OFFICERS—Left to Right: Wendy Sims, Secretary; Gene Kain, Treasurer; Ginny Blair, Vice-President; Bill Wright, President.

Working together for the first time as upper classmen, the juniors spent a busy year. Advised by Miss Doris Koff, they presented *You Can't Take It with You* as their class play and sponsored an enchanting Junior Prom. Mindful of their Senior Trip to Washington, the Class of 1965 launched one of the largest magazine drives in the history of H.M.H.S. to obtain funds for this goal.

SENIOR CLASS OFFICERS

SENIOR CLASS OFFICERS—Left to Right: Bob Harbeson, President; John Chew, Vice-President; Merle Markwith, Secretary; Roger Whiteway, Treasurer.

Conscious of the knowledge that everything they did was being done for the last time, the seniors moved forward into a year of much excitement, action and serious study. Aided by their advisor, Mr. Alan L. Gant, the Class of 1964 brought the final money needed for the Senior Trip into their treasury by managing the concessions stand. The Senior Prom, "Camelot," and the presentation of the comedy, *My Sister Eileen*, added to the seniors' accomplishments.

FRENCH CLUB

Le Cercle Français under the guidance of Mrs. Merianne Gardner provides the opportunity to *parler français* for fun. Vocabulary comes alive as club members sing national songs, perform French plays and take part in contests. A festive banquet held in November and numerous slides and lectures throughout the year furnish good times and a valuable knowledge of French life and traditions.

The officers were: President, Peter Bewley; Vice-President, Paul Rosenberg; Secretary, Dianne Hartel; Treasurer, Judi Fothergill.

LATIN CLUB

Brightly colored togas, scurrying slave girls, bold gladiators, and voluminous piles of food recreated the "glory that was Rome" at the annual Latin Club Banquet. Dr. Edward Oddis, acting as "Emperor," presided over the banquet and supervised the other club activities.

This year, in addition to the festive banquet, the members celebrated the 2033rd birthday of Virgil, sold freshmen as slaves, published their own newspaper and attended the Junior Classical League Convention in Atlantic City. Through this varied program, Latin students were able to gain deeper insight into Roman history and customs.

The officers were: Co-Consuls, Jeff Cawley, Gerry Le-fever; Scriba, Janet Rose; Pro-Consul, Fred Walker; Quaestor, Janet Haynes; Censor, Paul Wickes.

Warren Isom explains the map of Germany.

Freshman slaves are bought at the Latin Club slave auction.

GERMAN CLUB

By joining Der Deutsche Verein, students exercise their linguistic talents while broadening their culture. Guided by their advisor, Mr. Allen Stewart, the group held lively discussions with our foreign exchange students, sampled imported German foods, and held a song fest of favorite German songs. Movies on topics such as the Berlin Wall and the publication of their own newspaper, "Der Deutsche Spiegel," added to the entertaining, yet instructive program.

The officers were: President, Warren Isom; Vice-President, Bob Harbeson; Secretary-Treasurer, Harriet Coblentz.

SPANISH CLUB

Frantic, yet joyous describes the scramble for sweets which followed the traditional breaking of the Christmas pinata. During the year the Spanish Club, guided by Mr. Walter Hill, offered students many enjoyable opportunities to enhance their understanding of Spanish-speaking peoples and their culture. At the regular meetings songs and national games enlivened the study of grammar and vocabulary, while films, slides, and speakers acquainted members with the beauty of the landscapes and the custom of the people.

The officers were: President, Betsy Conlen; Vice-President, Elaine Danzenbaker; Secretary, Carol Schwartz; Treasurer, Judy Stevenson.

INTERNATIONAL CLUB

Sincere thoughts and warm friendship emerged from behind a veil of varying accents as teenagers from all parts of the globe expressed their views before our student body. Each individual in his own way was acting as an ambassador of good will.

This panel discussion, the Eagles-Faculty Basketball Game, and numerous parties for the exchange students were made possible by the International Club. This group, directed by Mr. Thomas Reilly, was composed of students who had a strong desire to promote understanding between all nationalities.

The officers were: President, Michelle Krauss; Vice-President, Trinkia Reddie; Secretary, Meg Chang; Treasurer, Nicki Zaro.

Uprisings in Africa, national political trends, and acts of subversion were brought to the attention of students through participation in the Contemporary Affairs Symposium. The advisor, Mr. George Kennedy, stimulated the members to discuss openly the crucial issues and events of our times. At one of the most notable sessions, a representative of the South African government spoke on that country's policy of apartheid.

The officers were: President, Don Hart; Vice-President, Jeff Cawley; Secretary-Treasurer, Ginny Moreland.

SERVICE CLUB

Members of the Service Club volunteer to serve their school and community. Under the supervision of Mrs. Madeline Murphy, the girls ushered at community concerts, plays and graduation exercises, and acted as student aides. By working in the office during their free periods the student aides assisted the administration and the guidance counselors.

The officers were: President, Lee Bowman; Vice-President, Carol Yatches; Secretary-Treasurer, Susan Kimball.

SPEECH AND DRAMA CLUB

The lights flicker . . . the curtain rolls back . . . a sea of faces appears. The Speech and Drama Club, under the direction of Mrs. Carol Todd, strives to prepare students to meet similar situations with assurance and poise. During its meetings students are encouraged to participate in dramatic readings, skits, pantomimes, impromptu speeches and other theater arts.

The officers were: President, Don Grimme; Vice-President, Carol Schilling; Secretary, Karen Offner.

HEALTH CAREERS CLUB

"Life, death and miracles are a nurse's life." Through participation in the Health Careers Club, students discover numerous aspects of the medical profession. One evening representatives from different nursing schools acquainted the girls with the facilities available at their respective schools. An enjoyable banquet marked the conclusion of a successful year.

FUTURE TEACHERS

Students aspiring to be teachers benefit from participation in the Future Teachers of America which is directed by Mr. William Smith. A tour of Glassboro State College and observation of classes at Tatem and Bancroft Schools introduced the girls to the teaching profession. By undertaking a bake sale, the members earned money toward a scholarship for a deserving senior.

The officers were: President, Jeanette Finkbinder; Secretary, Jane Allen; Treasurer, Karen Newell.

LIBRARIANS

Excellent maintenance of our school library is the aim of the student librarians. These girls spend most of their time checking incoming and outgoing books. In addition they type cards and file them in the card catalogue, shelve books, and run various errands for the regular librarians. It is their service which enables Mrs. Moran and Mrs. Ryan to give individual assistance to students.

LAB TECHNICIANS

Revolving discs . . . recorded exercises . . . and many voices striving to repeat foreign words. Often this orderly scene in the language laboratory is disturbed by a snarled tape, a faulty set of earphones, or a loose connection. It is the duty of the Lab Technicians, under the guidance of Mr. Emil Bockmann, to make necessary repairs and to keep the machines in good running condition. In addition they clean the tapes and machines and take charge of general maintenance of the language laboratory.

LAB TECHNICIANS—Left to Right: Mike Bellinger, Jackie Hoffmeier, Joe Shapiro, Renton Huff, John Acton, Bob Werner, Vince Cardile, Jim Hale, Wayne Shugart, Alan Henry, Eric Carhart, Warren Levy.

PROJECTIONISTS

Distributing and operating projectors, film screens and record players were the responsibilities of the Projectionists. This group of students, under the capable supervision of Miss Harriet Warne, volunteered to give up their study halls to manage the Audio-Visual Room. Occasionally they met before and after school to clean, oil and repair the machines.

STAGE CREW

Behind the scenes of all school plays, assemblies and concerts the stage crew members efficiently carried out their jobs. Under the supervision of Mr. Robert Lewis, the members arranged the stage, regulated the lighting, and took charge of sound effects. During the year the co-chairmen, Jeff Cawley and Dale Pritchett, saw to it that no incidentals were overlooked. Outside the realm of school activities, they assisted at various programs sponsored by community groups.

STAGE CREW—First Row: Wayne Shugart, Jeff Cawley, Dale Pritchett, Rod Wilby. **Second Row:** Fred Walker.

CONCESSIONS COMMITTEE

A brisk autumn day, a spirited football game, hungry fans, and plenty of hot dogs set the stage for the Concessions Committee. The Committee members, headed by Marti Swift and Corky Brandt, undertook the job of managing the refreshment stand and selling programs, shakers and booster cards. They were compensated for their demanding work by the knowledge that they were earning money toward their Senior Trip.

FIRE WARDENS

The fire drill bell sounds and students rapidly file out of the building. The Fire Wardens see that all windows and doors are closed, and that the lines move unhindered.

Selected annually by Mr. Robert Lewis, these students have helped our school maintain its excellent safety record.

MAGAZINE CAPTAINS

To raise money for their Senior Trip, the Class of 1964 broke the area record in 1962 by selling over \$14,150 in magazine subscriptions. Drew Nayman was the top salesman with \$292.04. General managers for the campaign were Warren Isom and Gene Kenney, assisted by Pete Bewley, Joanne Cain, Jane Fox, Roger Whiteway, and four captains from each homeroom. Exhausted from ringing doorbells, the Class relaxed, knowing that a sizeable amount had been acquired toward their trip to Washington, D. C.

HI-64'S TRI-HI-Y—First Row: Barbara Worrell, Mrs. Patricia Edwards, Karen Offner. Second Row: Chris Keller, Janet Rose.

HI-64's TRI-HI-Y

Combining service and fun the Hi-64's have been active for four years. With the assistance of Mrs. Patricia Edwards, they adopted an orphan in Hong Kong, held numerous bake sales, and made and sold Christmas decorations. Playing Santa Claus for a needy family with six children proved to be a rewarding experience. This involved buying, making, and wrapping gifts and providing food for Christmas dinner. The girls showed their zest for athletics by planning a ski trip and participating in a bowling league. During the year they supplemented their program with parties and dances.

The officers were: President, Karen Offner; Vice-President, Anne Gray; Secretary, Chris Keller; Treasurer, Barbara Worrell; Chaplain, Janet Rose.

DEBONAIRE'S TRI-HI-Y

While enjoying frequent parties and participating in community projects, the Debonaires have sought to put the principles of the Y.M.C.A. into practice. Much of the money earned from their bake sales and gym suit washes went to sponsor an orphan in a foreign country. Making Christmas, St. Patrick's Day, and Easter decorations for a mental hospital was a project that spanned the entire year. At Christmas time they treated themselves to a combination dance and ice skating party in conjunction with the Sharks Hi-Y. Also, the girls enthusiastically took part in a bowling league.

The officers were: President, Eleanor Glazier; Vice-President, Joanne Cain; Secretary, Diane Bernbaum; Treasurer, Donna Vandegrift; Chaplain, Betty Quinn. They were advised by Miss Ann Harper.

SPARTANS HI-Y

Through their activities of the past year, the Spartans, advised by Mr. Don Dinwoodie, have shown an interest and concern for the fellowship of youth. In school they undertook the responsibility for the traditional Victory Dance. Co-operating with the Y.M.C.A. organization as a whole, they took part in the Hi-Y Basketball League. Within their own group they planned social functions and searched for knowledge through the patronage of speakers.

The officers were: President, Bill Palmer; Vice-President, Roger Whiteway; Secretary, Van Pratt; Treasurer, Bill Albertson; Chaplain, Bill Mitchell.

SHARKS HI-Y

"The best yet" is the way members of the Sharks Hi-Y describe their senior year. Under the guidance of their advisor, Mr. Jerry Willert, the members performed community service and promoted fellowship. At the meetings they were enlightened and entertained by speakers and movies. In September they sponsored the "Team's the Theme" school "Y" dance. Other social activities included a "Roaring Twenties" extravaganza and a beach party.

The officers were: President, Gene Kenney; Vice-President, George Henisee; Secretary, Warren Isom; Treasurer, Steve Zipf; Chaplain, Art Archibald.

Orchestra

Mr. Muschek conducts the strings.

Upon the down sweep of Mr. Nelson Muschek's baton, a myriad of sounds blended into one melodious overture. The will to achieve beauty had surmounted former moments of discord and discouragement and revealed only a polished performance to the audience. Typifying the Spring and Fall Concerts, this scene is a familiar one to the members of the orchestra.

By playing in the orchestra students are able to work together in a group to further their musical education. Many afternoons are spent practising and perfecting the music they are to perform. In addition to the concerts, the orchestra lends entertainment to the audiences between the acts of the Senior and Junior Plays.

Choir

"Think the pitch . . . ready . . . sing," and the auditorium resounds with a rich melody. Singing anything from the "Messiah" to the "Sound of Democracy," the Choir repeated this scene for appreciative audiences in a wide variety of places. Our school auditorium provided the setting for the Christmas and Spring Concerts and a performance in co-operation with the Collingswood High School Choir. Competition at Glassboro State College and concerts at the Washington Memorial Chapel, Valley Forge and the World's Fair challenged the choir members and furnished them with a sense of accomplishment. The success of these various undertakings was made possible by the capable leadership of Mr. Nelson Muschek and hard work on the part of each individual member.

Band

Whether unifying the student body with the vibrant tune of the "Victory Song" or playing for a concert or assembly, the band has become a vital part of H.M.H.S. Snappy marches and precision drills and entertainment add vitality to half-time performances. Year-round rehearsals prepare the band for the impressive Spring Concert.

The proficiency of our band has prompted considerable recognition. It was rated second in the state and has been selected to appear in a national yearbook, *The First Chair America*. This book features the outstanding bands in the country. The members, moreover, had the privilege of playing before the annual P.T.A. Convention in Atlantic City.

MAJORETTES

Dazzling batons swirling in one of many tricky routines quickly seized the attention of the crowds who had come to cheer the team. The dexterity, smart red and black uniforms, and bright smiles of the Majorettes never failed to delight. The ease and unity with which the girls performed under the leadership of Janie England were the results of many hours of practice after school.

CHEERLEADERS

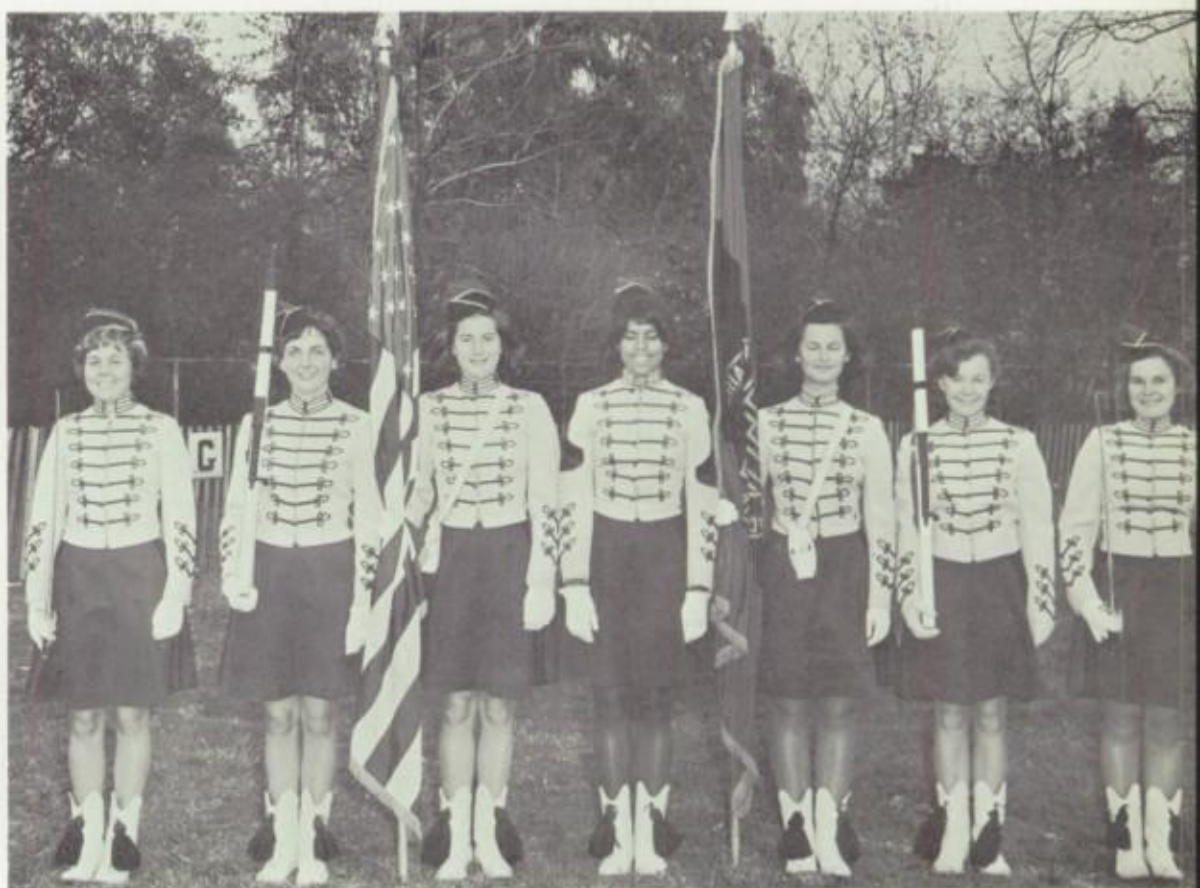

Capturing the enthusiasm of H.M.H.S. fans, the Cheerleaders spurred the Bulldogs on to victory. Jumbled yells gave way to triumphant cheers as the girls, captained by Mickey Cole, led the stands in the familiar "Fight Team Fight," "Two Bits," or "Center End." The squad encouraged spirit not only on the gridiron, but also on the hockey field, at pep assemblies and during basketball games.

With similar precision the Color Guard performed original routines at half-time and led the band in local parades. In addition members of the squad presented the colors at all regular assemblies.

Varsity Football

Experience proved its value as the Varsity completed its season with a 6-2-1 record. With fifteen lettermen returning from a poor 1962 season, Coach Spicer guided the team into a power on the gridiron for the first time in five years.

A highly spirited student body watched the Haddons win three of their first four games by runaway scores. The offensive and defensive units worked well until the Paulsboro game.

The Haddons came back from defeat to beat Conference contender Audubon in the Team's best effort of the year. Woodbury, the Colonial Conference Champion, received the only blemish to its undefeated record as the Haddons tied them on the

succeeding Saturday.

The Bulldogs suffered a severe let-down, losing 27-0 in their game against rival Collingswood. The season ended with the traditional Thanksgiving Day game against Haddon Heights. Haddonfield prevailed setting an all-time game scoring record of 42 points.

The season received added glory when Haddonfield was named South Jersey Group III Co-Champions with Palmyra.

Several team members were honored on post season all-star teams. At the annual Football Dinner Captain John Miller received the Kelchner Award and the Captain's Trophy.

J. V. and Freshman Football

Coached by Mr. Frank Trotman and Mr. George Reeves, the Junior Varsity played well throughout the season. On the field several of the team's games were close and could have been won by either team. Upon completion of the season, an ineligible player was found to have played on the team. The J. V.'s were forced to forfeit the four games which they had won. The mainstays of the team were Earl Balderman, Ed Diamond, Dick Lomax, and Pete Zwarg.

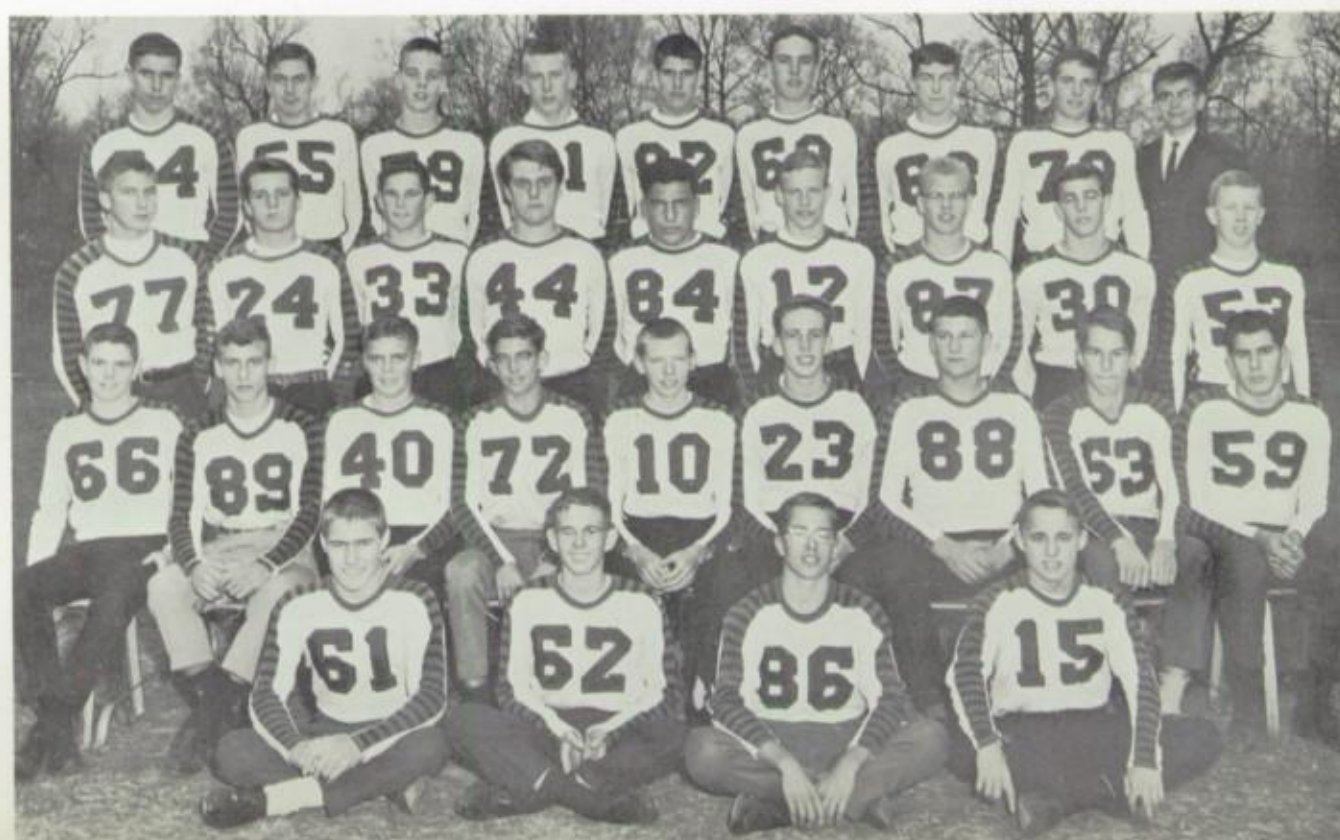

The Class of 1968 got off on the right foot in sports with its fine Freshman Team. Coaches Mr. Alan Schmucker and Mr. Joseph Foulk guided the team to a 7-2 record. The team's biggest problem was to play four quarters equally well; however, during the close games they were capable of the big play. Standouts on the squad were Bill Cahill, Don Greinke, and Scott Pope.

Cross Country

The Varsity Cross Country Team is the most recent addition to the H.M.H.S. sports program. Coached by Mr. Alan Gant, the team had a five win and five loss record which was excellent for a first year sport.

In one of the few major sports in which the lowest score wins, the Haddons were victorious in five of their six home meets. Co-captains Bob Burg and Sam Powell led the team in dual meet competition. Consistently good performances were recorded by Howard Stetser, Curt Tracy, John Collins, Jae Ellis and Larry Evans.

Competing against established teams in the championship meets, the Haddons were usually in the middle of the team standings. The Haddons were thirteenth in the South Jersey Open Meet and seventh in the Camden County Championships; Bob Burg was the individual stand out finishing sixteenth and seventh respectively. The team's best showing came in the Colonial Conference Meet when they finished in a strong fourth place position. Bob Burg narrowly missed becoming Conference Champion when he finished third.

The Varsity Hockey Team finished its season with a record of three wins, four losses, and one tie. Coached by Miss Eleanora Kind and Mrs. Betty Juliana, the team was led by co-captains Carol Comfort and Kathy Harman to several early season victories.

In addition to valuable playing experience on the field, the girls had the opportunity to attend several games of the Women's International Field Hockey Tournament. The girls watched some of the best hockey players in the world as they competed in the United States for the first time in thirty years.

and Freshman Hockey

Comprised of four complete squads, the J. V. Hockey Team won four games, lost three, and tied one. Some of the members of the large and well-practiced team should be able to fill several vacancies in the Varsity, offsetting the loss of seniors.

The Freshman Hockey team consisted of two teams with a collective record of two wins, five losses, and two ties. The nineteen member team developed rapidly as the season progressed, showing good potential for future Varsity squads.

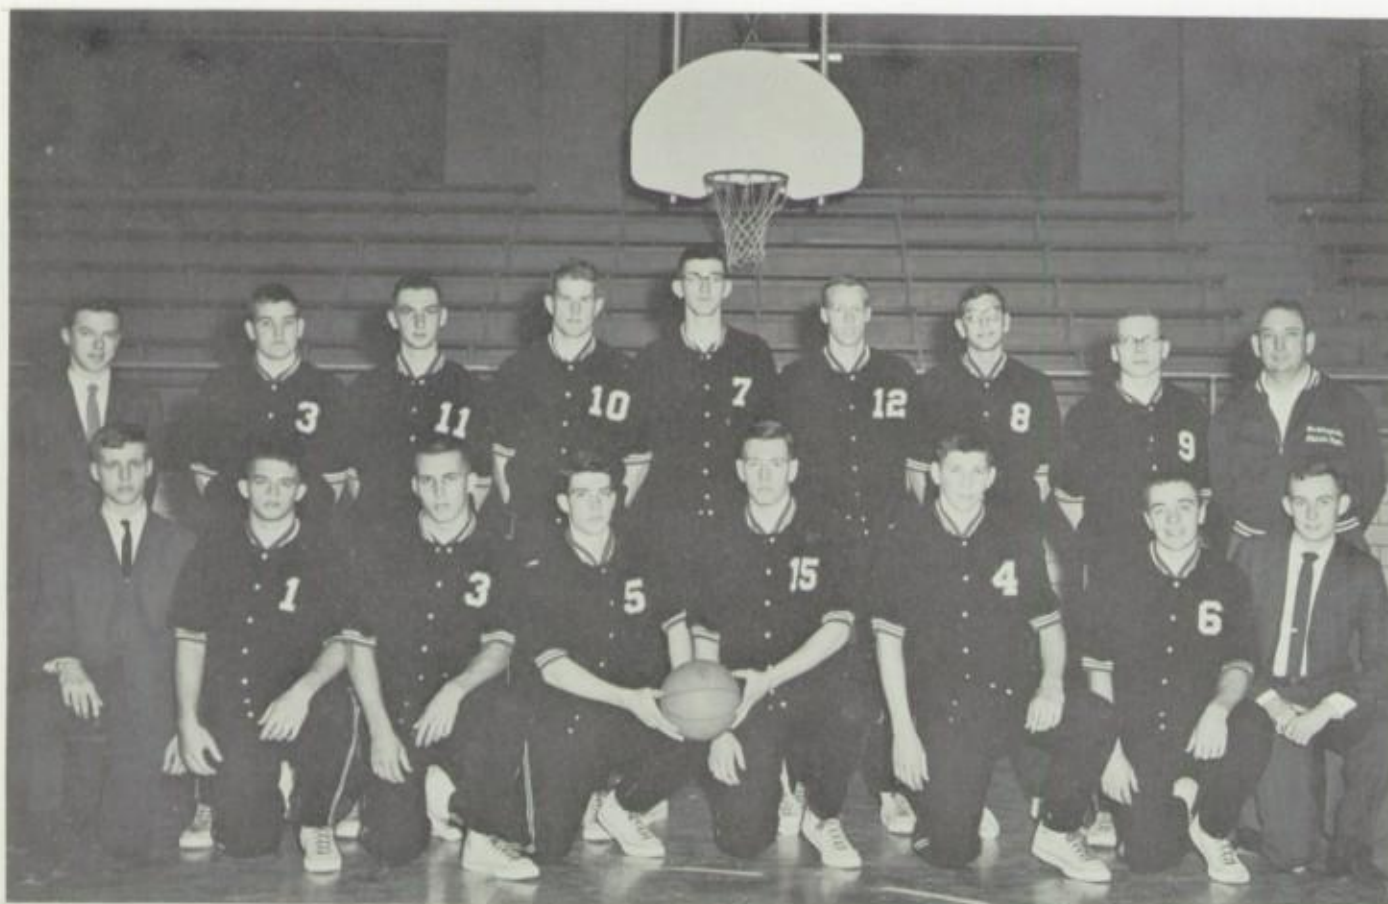

Determination is evident as Sue Cox fights for the ball.

The Varsity Basketball Team had a season which was marked by early achievement and late disappointment. The Haddons won four of their five first games including two victories in their own tournament at Christmas. With wins over Edgewood and Sterling, the squad earned the tournament championship. Upon entering Colonial Conference competition, the team could not begin a winning streak, and the season was completed with a record of ten wins and thirteen defeats.

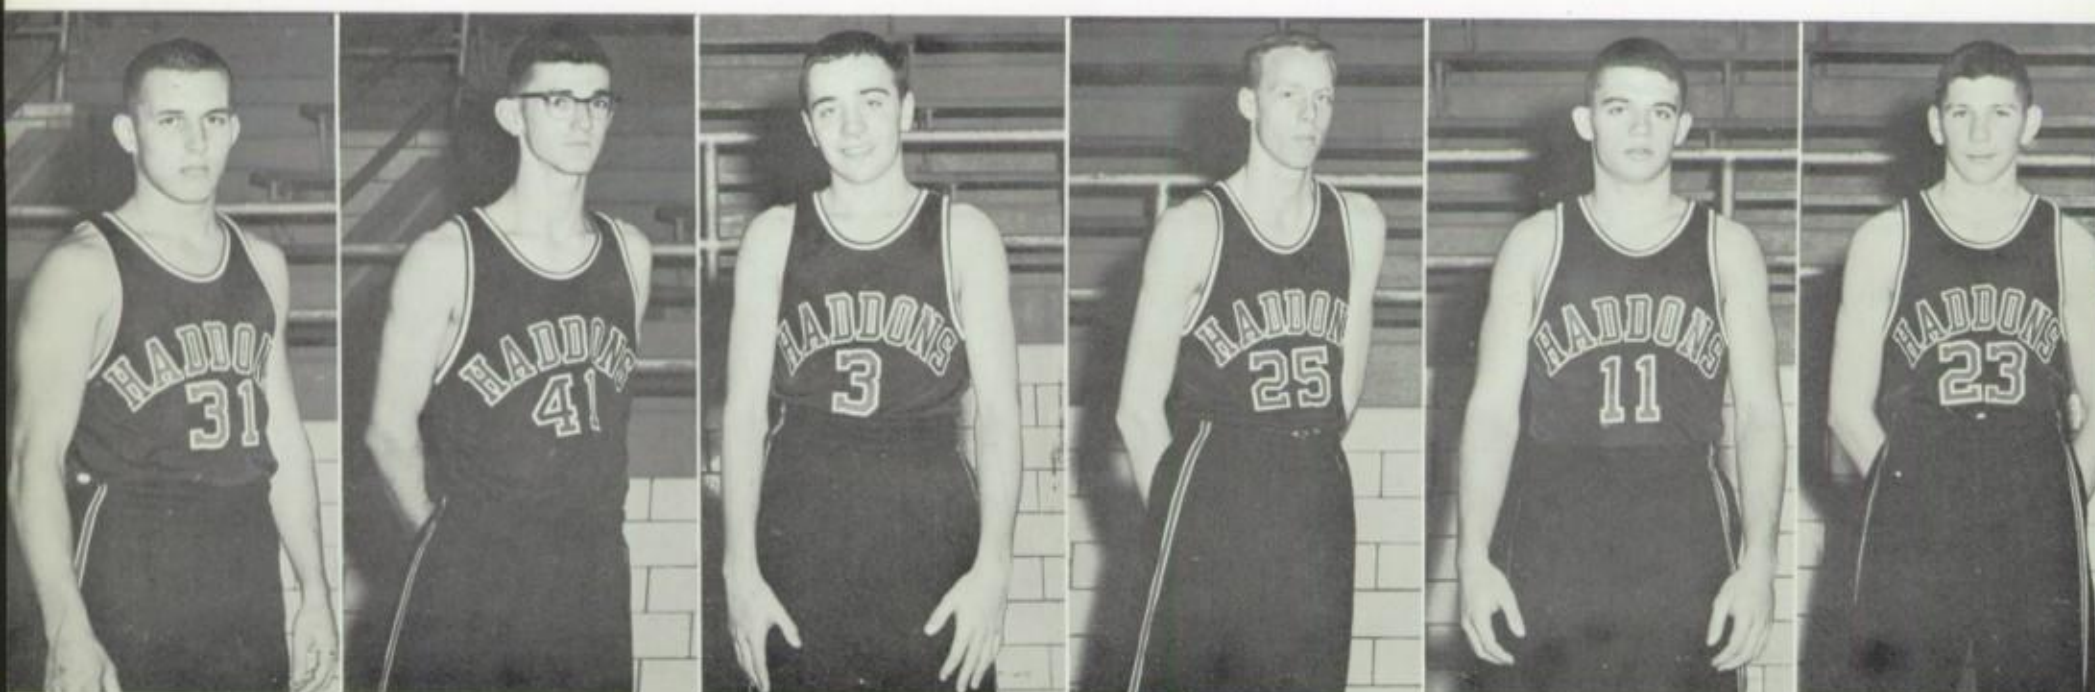

Coach Alan Gant used a largely senior line-up with numerous substitutions of underclassmen. Co-Captains Dave Fish and Gregg Roark led the team with their consistent play. Fish was

The J.V. Team had the distinction of an undefeated season. Coached by Mr. William Ramsey and Mr. Henry Smith, the J.V.'s won all nineteen games by seven or more points. Chuck Pyle led the team in scoring, and Pete Lawrence, John Mathews, Matt Moeller and Rob Day hit for high averages.

The Freshman Team, under the guidance of Coach George Reeves, had a strong eleven wins and six losses record. Team scoring honors went to Don Greinke, who had a better than ten points per game average.

Varsity Wrestling

The Varsity Wrestling Team had a season of unprecedented success. Compiling a record of twelve wins and one defeat, the team won two championships. The Haddons tied with Paulsboro for the title of the Delaware Valley Wrestling Conference, and the team won the New Jersey State District 14 Championship for the third consecutive year.

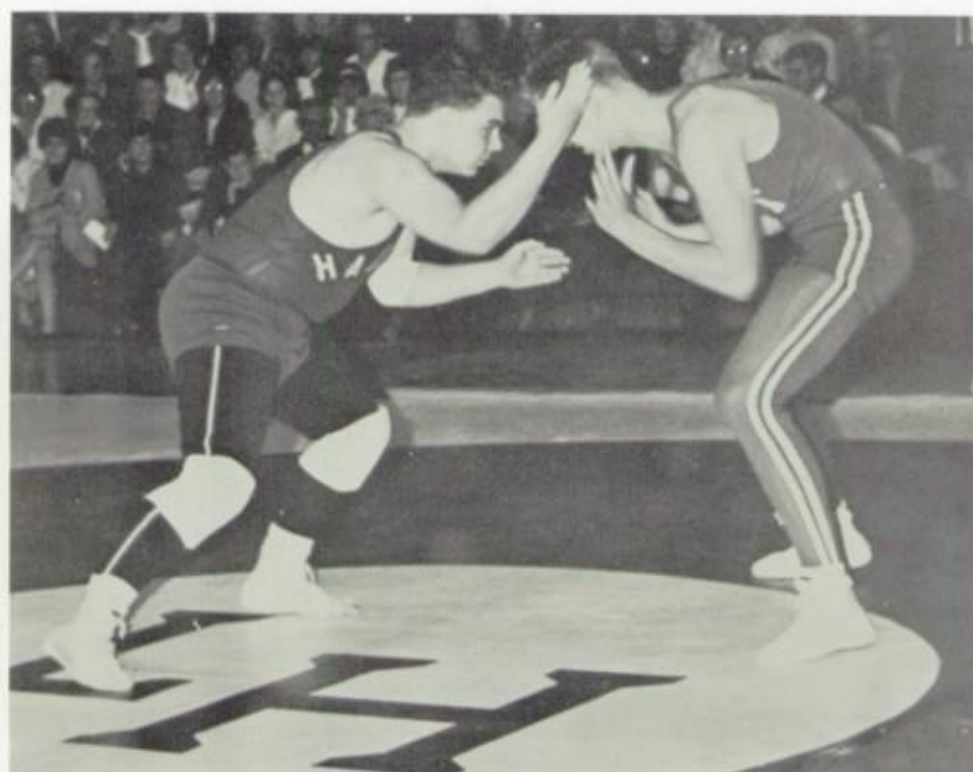

Team success could not have been as great without many individual standouts. Coach William Frantz guided his wrestlers to seven individual titles in District 14. Gene Kain, 106 lbs.; Ron Bond, 115 lbs.; Co-Captain Bruce Naudain, 130 lbs.; Jae Ellis, 136 lbs.; Dave Campbell, 148 lbs.; Steve Tyler, 157 lbs.; and Co-Captain Corky Brandt, heavyweight, all were champions.

In the Regional Championships Ron Bond, Jae Ellis and Corky Brandt finished in second place in their respective divisions. Gene Kain emerged as the winner of his weight class. He completed an undefeated season by taking the State crown in the finals held at Rutgers University, New Brunswick.

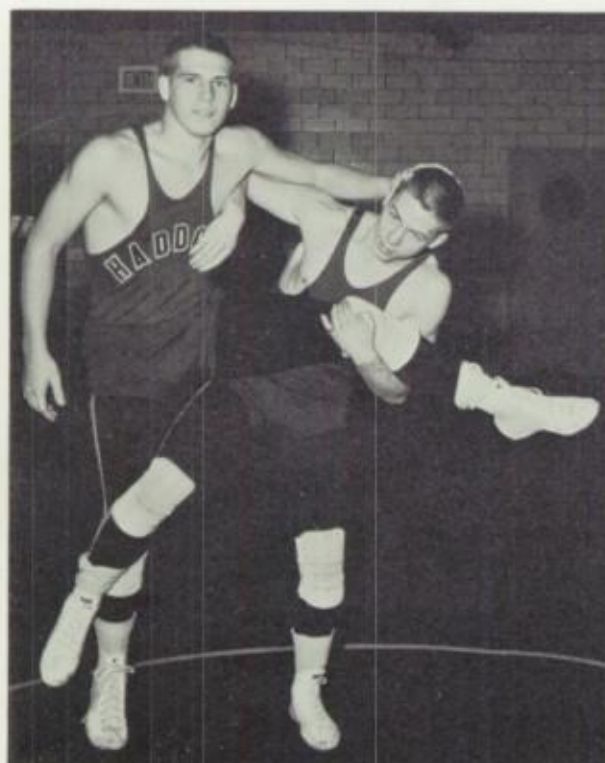

Jae Ellis is about to pin his opponent.

J. V. Wrestling

The J.V. Wrestling Team had a fine record of eleven wins and two defeats. Coached by Mr. Joseph Foulks, the team's only defeats came at the hands of powerful Paulsboro and Rancocas Valley. Nearly half of the season's matches were won by runaway scores. The wrestling squads from Camden, Haddon Heights and Overbrook were the victims of the J.V.'s best efforts.

Several Varsity prospects were found among the numerous turnouts for the sport. Mike Smith, Bill Lindsay, Stought Farnham, Dick Eastwick and Bob Reardon wrestled well throughout the season as they led the team.

Girls' Basketball

Playing well early in the season, the Girls' Varsity Basketball Team compiled a record of five wins, seven losses, and one tie. With several experienced players returning to the Varsity, Coach Mrs. Betty Juliana had an opportunity to work new recruits into the line up without hurting overall team play.

Co-captained by Janie England and Lynn Gillespie, the team played at its best in the games against Pennsauken and Palmyra. In addition to a schedule of regular season games, the girls participated in a Play Day of exhibition games held at Pennsauken High School.

The J. V. Team had an excellent record of eight wins and four losses.

Baseball

Hustle and desire can best describe the 1963 Baseball Team. Coached by Mr. Spicer, the team climaxed a 13-8-1 season by winning the South Jersey Group III Championship for the second consecutive year.

The season was marked with twelve games which were decided by one run. Fine clutch play by Captain John Clevenger, Bill Wright, and Ed Lodgek usually meant victory for the Haddons.

The J. V. Team coached by Mr. Kilkuskie compiled an 11-5 record. The season was highlighted by an 18-6 win over Merchantville.

The Freshman Team gave the Class of 1966 its only non-losing record. Coached by Mr. Schmucker, it finished with a 4-4-1 season.

Coach Leo Castle's 1963 Track Team had a season which was marked by little team success but frequent individual achievement.

In dual meet competition Bob Booth and Dave Hurd led the team, each competing well in three events. The pole vault was consistently the best field event as Dave McGonigle and Dave Hurd both approached the school record.

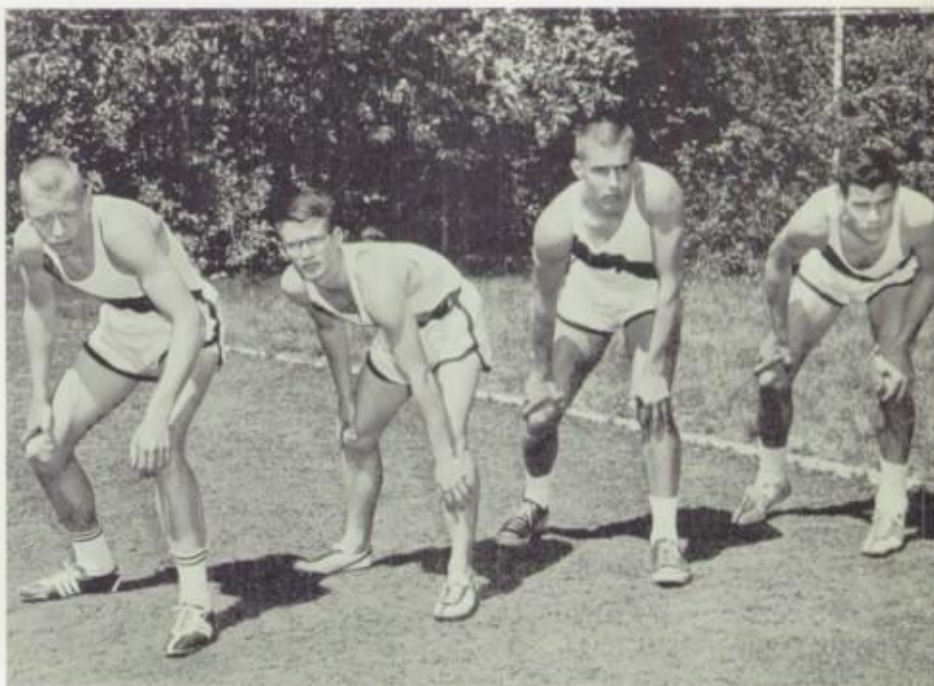

Medal winners Bob Booth, Bob Burg, Don McAfee, and John Miller helped the team to a fourth place finish in the Colonial Conference Championship Meet. Sam Powell was the only individual champion, as he won first place in the mile run.

GIRLS' TENNIS

Completing the season with one win and seven losses, the year 1963 was a disappointing one for the Girls' Tennis Team.

The team, coached by Miss Eleanora Kind, was largely made up of underclassmen. The girls did gain profitable varsity experience throughout the season. Pat Weber played commendably at the first singles position.

BOYS' TENNIS

In 1963 the Boys' Tennis Team completed the finest season which H.M.H.S. has had in 25 years. Coached by Mr. Calvin Adams, the team's record was eleven wins and one defeat. Performing with excellence were singles players Steven Rosen and John Isom and doubles players Mike Loy and Pete Lawrence.

Softball

With five wins and five losses, the 1963 Varsity Softball Team had its best season in several years. Under the guidance of Mrs. Betty Juliana, the squad's play improved greatly following four early season defeats.

Captained by Chicki Seaton, the Haddons' season was highlighted by a come-from-behind victory over Haddon Township. Lynn Gillespie led the team in batting with a .416 average, and Ginnie Kilkuskie played errorless ball in the field.

The 1963 J. V. Softball Team won three games and lost six. The team was taught many of the fundamentals of the game, as coach Mrs. Betty Juliana prepared the girls for Varsity play. Eva Cavanaugh and Margo Payne sparked the team with their performances at the plate.

A Diploma-tic Invitation!

Your diploma is yours because you've earned it. Naturally, you've received it with mixed feelings — sorrow that old associations are behind you; joy that you've made the grade and are entitled to be called a "Graduate."

That diploma is also an invitation to a new life based on a new maturity. And, whatever your future course may be — on to further education or out into the world of business — maturity inevitably brings responsibilities . . . one of which will be to run your own finances. On this subject we may be of help.

Here, at this friendly bank, are people who not only are able to give you financial counsel but are also interested in you, personally. There may be some banking services with which you are not familiar, but which could be particularly helpful to you. In any event, even knowing about them might be of benefit to you later.

So much
well, we've made it to be seniors
now and I dare it feel? We've really
had a fabulous time together -
dances, parties, movies, riding,
and last but not least, the Prom.

"... may I graduate well
and earn honors in Life."

Congratulations to you and to each of your
classmates for whom June 11, 1964 is a very special
occasion.

We wish you success and happiness in the years
ahead.

As you seek new goals and conquer the problems
you will face, perhaps you will benefit in sharing a
motto which has helped guide us since 1873:

Inveniemus viam aut faciemus...

To Mal and Marge - Well bombs, school's out & tell me
 you didn't have a sheer riot this year. If I hadn't gotten
 friendly with you this year, I now know all the great
 times I would have missed. Think of different things
 we have done this year. Your parties (a tiny bit
 Celebrating Our 50th Year wild) were
 such fun. You two both
 have different kinds of
 personalities (both
 fabulous and so
 friendly, making me
 feel right.) I don't
 know why we weren't
 friendly last year.
 I'm so glad we are,
